Palmer as Candidate for By Cable to The Star and Chicago President Has Contest. Other Politics.

By the Associated Press.
PHILADELPHIA, May 18.—Seventysix delegates to the republican national convention and an equal number to the democratic nominating assembly are being elected in Pennsylvania today at statewide primaries.
Socialists and prohibitionists are also
holding their primaries, but they have
no contests. Electors in Pennsylvania
have the privilege of indicating their
presidential preference, but only one
name, that of Edward Randolph
Wood, a retired business man of Philadelphia, appears on the republican
ballot, and only that of Attorney General Palmer is on the democratic baliot. The faction opposing Attorney
General Palmer in Pennsylvania has
asked its supporters to write the
name of William G. McAdoo on the
ballot.
There are numerous fights for places
in the republican delegation, the contests being over personnel rather
than presidential preferences.

DENVER, Col., May 18.—Resolutions adopted by the democratic state convention praised the national democratic administration and President Wilson and condemned the republican party.

The resolutions declared the party renewed its "faith in the doctrines promulgated and codified by Thomas Jefferson and zealously defended by Andrew Jackson and Woodrow Wilson."

"We emphatically favor the ratification of the treaty of peace with Germany, including the covenant of the league of nations formulgated at Versailles and brought to us from the conference of nations by that greatest of living Americans, Woodrow Wilson," the resolutions said, adding a condemnation of the Lodge reservations.

Democratic Compromise in Washington State

SPOKANE, Wash., May 18.—Action of the credentials committee of the state democratic convention early today in voting to seat both contesting delegations from Pierce county (Tacoma), with each delegate entitled to one-half vote, paved the way for consideration of the main purpose of the convention—the naming of delegates to the national convention in San Prancisco and election of national comitteemen.

The vote on the Pierce county contest completed the credential committee's work. Previously, the "organization" forces had won their fight before the committee to seat the "regular" delegation of 268 members from King county (Seattle).

The contesting delegation, which included several federal office holders, objected to the designation "federal" applied to them by their opponents, and declared presence of the office holders in the delegation was without significance.
